

## **MADski :: 2014-2015 Season**

---

This long-running program is for youth ages 6-14 years. Volunteer instructors work closely with students and parents to instill a love of skiing and snowboarding.

At the heart of the program is family involvement. Parents are encouraged to volunteer as coaches, and in doing so learn skill they can carry forward and use after the program. This is a perennial family favorite!

Central to the success of this program is parental involvement and instruction. The MADski Program utilizes PSIA/USSA training for our parent/coaches. This is a great chance for everyone to hone their skiing skills and learn the latest techniques and tips to make skiing easier and more fun. We have videos and DVD's available at Stove and Upholstery Works for all parent/coaches to sign out and review at home. We can always use more help on the hill working with the kids. We offer a full day lift ticket at half day price to any parent that helps on the hill and takes the afternoon instruction.

MADski runs Saturday, January 10th-February 28th, and is open to youth ages 6-14. There is an end of year race on February 29th for all students who would like to participate, with awards and cake after the races.

Children with a 2014/2015 Season Pass receive a discounted rate, which includes *all* 8 Saturday Group Lessons. The cost for season passholders is \$30/child, or \$50/family for the 8 week session.

Children without a Season Pass pay for each day they participate. Price includes Daily Lift Ticket & Equipment Rental. For non-passholders, the program fee is \$40/day. You only pay for those days you participate.

Season Passes are available online or at the chalet. Season Equipment Rental is \$100.

Full and Partial Scholarships are available upon request.

- **MADski Saturday Schedule:**

- 9:00-9:30 Registration in the Chalet
- 9:55 Meet outside at the Bell
- 10:00-12noon Lessons & Programs

We strongly encourage participants to stay for the afternoon and practice what they learned that morning, or relax and ski with their friends.
